

# Dr. Energy Keynote Speaker & Researcher

Eran Shachar

## Lecture Title: Energy Boost!

### Research & Development

Between 2008–2015, I conducted groundbreaking research on enthusiasm and performance together with the Geocartography Research Institute, led by Prof. Avi Dgani and Dr. Rina Dgani. This research formed the foundation for my methodology, frameworks, and published works.

[Experience Dr. Energy Live >](#)

*The Science of Energy is not a gimmick - it's a teachable, repeatable, and transformative system for modern life.*

## What Happens After Dr. Energy Leaves the Room?

- Energy boost, high drive, infectious excitement
- Simple yet powerful tools and drills to instantly Turn On for goals and KPIs
- OES (Organizational Energy System) that drives excitement and meaning
- Measurable uplift in awareness, purpose, and team pride

# What I Really Do?

- I Shake, Spark & Shift People.
- I'm not just a speaker – I'm an energy storm.
- I don't deliver lectures – I create experiences.
- I shake skeptics. Unlock the shy.
- Get engineers to move. Make senior managers loosen up - and smile.
